## GOOD NEWS STORY

### Lighthouse school gets \$27k boost

The Lighthouse Christian School at Norman Gardens will get new learning areas, an amenities block and a staff office thanks to funding from the Palaszczuk Government.

The Member for Keppel and Assistant Education Minister Brittany Lauga said the government provides capital assistance to non-state schools through a number of programmes to ease the cost of capital projects.

“The Lighthouse Christian School has been granted a \$27,310 subsidy to create an educational extension, general learning areas, amenities block and a staff office.

“This is a significant amount of money to one of our smaller schools and will prove a great benefit to staff and students,” said Ms Lauga.
