## Minister De Brenni, Lauga address sports forum

Guiding community sporting bodies and spectators to return to play is the subject of a digital forum to be co-hosted by the Member for Keppel Brittany Lauga on Monday.

Ms Lauga and Minister for Sport the Hon. Mick De Brenni will address the Planning for the Return to Play forum and take questions from sports officials and players from throughout the region.

The forum will discuss the latest Stage 3 easing of restrictions which kick in July 10, focussing on returning to more normal operation.

Ms Lauga said it was a real coup to have Minister De Brenni address the forum, and answer questions on a wide range of topics.

“It is wonderful to be able to give local sporting officials and players the opportunity to deal directly with Minister for Sport who has his finger on the pulse with this latest lift in restrictions.

“Information will include a general update on what clubs can and can’t do re spectators, canteens, facilities; how to manage people at the venue to keep the 100-person limit, but making it fair for spectators; and what will be the maximum number of participants allowed to play at a venue?”

She said some of the major changes in Stage Three include allowing:

- gatherings of up to 100 people
- community sport (contact and non-contact)
- indoor personal training (1 person per 4 square metres)
