Power of Positive Parenting keynote at forum

The Power of Positive Parenting is for every parent who ever wondered: “Why does my child do that?”

Soon the answers will be revealed, the Member for Keppel and Assistant Education Minister Brittany Lauga said today.

Ms Lauga will be hosting the second free forum as part of the Palaszczuk Government’s Positive Parenting (Triple P) Programme which aims to arm parents with the best tools to be the best possible parents.

“This forum helps you understand the reasons kids do what they do, so you can guide their behaviour – and see more of the behaviour you like, and less of the behaviour you don’t like,” she said.

Ms Lauga said Triple P International would receive more than \$696,000 to expand its Program from the Palaszczuk Government to deliver the new modules until 30 June 2023.

“Parents all want to do the best job they can, but more parents than you might think would like a bit of extra support and information to help them parent,” she said.

“I hosted a strawpoll on my Facebook asking parents to nominate their preferred topic for the forum, and the Power of Positive Parenting was the most popular.”

“The forum will be delivered by psychologist Dr Michael Herd who has worked with children and families as a teacher, guidance counsellor and psychologist for more than 30 years.
