Yeppoon heads new turf club funding

The Yeppoon Turf Club will soon show off its new running rail and upgraded tower thanks to \$195,000 in infrastructure funding as part of the Palaszczuk Government's Country Racing Program.

The Member for Keppel and Assistant Education Minister Brittany Lauga said the funds would go towards installation of the plastic running rail, an upgrade of an existing pump system on the course proper, and an upgrade of the judge's tower.

"This is a good win for this active local club which puts on several terrific race meetings each year.

"I congratulate the club committee for the hard work it puts in to make the Yeppoon racecourse one of the most appealing and best-loved in Central Queensland."

The Palaszczuk Government has announced several race clubs across Central Queensland to share in almost \$600,000 in infrastructure funding.
