More cover for bus passengers

Bus passengers in the Keppel electorate will soon enjoy protection from the elements thanks to six new bus shelters to be installed.

The Member for Keppel and Assistant Education Minister Brittany Lauga said bus stops are funded through Transport and Main Roads and will cost \$19,000 each.

“The TMR funding is for local councils to install shelters at passenger transport facilities across Queensland.

“This initiative helps to improve the customer waiting experience by providing customers with an increased level of protection from sun exposure, heat, rain and wind.

“TMR has provided Rockhampton Regional Council with \$494,000 to deliver new shelters at 26 bus stops, including these six sites: Thozet Road, Wiltshire Street, Norman Road, Geordie Street, Elphinstone Street and Lakes Creek Road,” said Ms Lauga.
