MEDIA RELEASE

20 October 2021

New bus shelters for Route 20

New bus stops along Route 20 are expected to be in place by the end of June 2022, the Member for Keppel Brittany Lauga said today.

Ms Lauga said she was proud to have been a key force behind the establishment of the route which operates between Rockhampton and Zilzie via Yeppoon back in 2015-2016.

“I am really pleased to see this route has been well patronized and is now so popular I have had many residents come to me and ask for more bus stops along the way.

“I’ve worked with Transport and Main Roads, and ultimately the Livingstone Shire Council will be tasked to build these shelters, for several new bus stops along Clayton Road and Mulambin Road, Rosslyn, on Route 20”.

Please see the below response from the department.

Ms Lauga said TMR operates the Bus Stop Shelter Program (BSSP) to support local governments on the transport network.

“Customer and stakeholder comments and suggestions are important sources of information when deciding on locations for new passenger infrastructure.

“TMR intends to work with Livingstone Shire Council who would be responsible for delivery and ongoing management of these proposed stops, to provide these stops by the end of financial year,” she said.
